PLEASE NOTE:

It is also to inform that applicants to CDFD's JRF program who clear the interview on January 21 and then get shortlisted for the second round of interviews on January 22 will be given the opportunity to visit CDFD on January 23, 2019 to meet with CDFD faculty to familiarize themselves with the faculty's research interests.

Due to constraints of space and time this option can be extended only to the candidates who are shortlisted after the **first interview**. The Shortlisted candidates may contact individual faculty members via email or phone (email addresses and phone numbers are available on the CDFD website) to try and fix mutually convenient meeting times.

Contacting the faculty is purely optional. You may contact them by email or phone as well. If you are shortlisted on January 22, but are unable to stay on in Hyderabad on January 23, it will not be held against you. The purpose of these meetings is merely to give shortlisted candidates (and the faculty) an opportunity to acquaint themselves with each other.

Conversely, even if you are shortlisted and choose to stay on in Hyderabad to meet faculty on January 23, the CDFD will not be obliged to select you for a JRF position. The JRF selections will be made from the shortlist, but the selection criteria will be independent of whether or not a candidate has stayed back to meet faculty.
